

CEW&SA CUSTOMER QUESTIONNAIRE

INSTRUCTIONS: Listed below are two questions regarding the material type used for piping from your water meter to your home and what type of plumbing is inside your home. Some homes may have more than one type of material (piping), **circle** all that apply. We understand that not all customers are aware of the material used for their service line or in their home; therefore the “not sure/other option is available”. Please answer the questions to the best of your knowledge and return the questionnaire to CEW&SA in one of the following ways:

- Enclose it with your monthly billing statement and payment and mail it to Post Office Box 816, Wetumpka, AL 36092
- Fax it to 334-567-5556
- Scan and Email it to cewsa@cewsa.com
