

# CENTRAL ELMORE WATER & SEWER AUTHORITY SURPLUS PROPERTY SALE

Website: [www.cewsa.com](http://www.cewsa.com)

Central Elmore Water and Sewer Authority (CEW&SA) is offering for sale by SEALED BID, 24 (twenty-four) lots consisting of property deemed to be surplus. These items are described on the attached "Bid Sheets" and most may be viewed by visiting the South Operations Center located at 6547 Redland Road. Call the CEW&SA Main Office at 334-567-6814 from 7:30 a.m. to 4:30 p.m. for information and appointment. You will need to make an appointment if the lot for sale is located at another location. Pictures and additional information about the lots are located on the "2024 Surplus Property Sale" package available on our website or at the main office.

An appointment will be required to enter the facility. **There will be no viewing on bid opening day.**

Sealed bids will be opened on Thursday, November 14, 2024, for Bid Sheet #1 and Thursday, November 21, 2024, for Bid Sheet #2, both at 10:00 am CDT at the CEW&SA Main Office, located at 716 US Hwy 231, Wetumpka, Alabama 36093. An award will be made within three (3) business days after the bid opening has been completed. Only the winning bidders will be notified.

The successful bidder shall be held responsible for payment and removal of this equipment from CEW&SA premises within one (1) week, between 8:00 a.m. to 4:00 p.m., from the date of award notification. For example; if notified on a Friday, the winning bidder will have until the following Friday to pay for and remove items, if notified on a Monday, the winning bidder will have until the following Monday to pay for and remove items. All items in the lot(s) won must be removed from the warehouse by the winning bidder, no items may be left. If all items are not removed from CEW&SA and special arrangements, at the discretion of CEW&SA, have not been made, the items will be disposed of at the discretion of CEW&SA and no refund will be made. Once the one (1) week deadline has passed the previously notified bidder will no longer be considered the winning bidder and will not be allowed access to lots remaining. This goes for lots that have been partially picked up as well. Failure to comply with these requirements may result in revocation of bid award and subsequent award to an alternate bidder. Failure to comply three (3) times will jeopardize the bidder's position on CEW&SA's list of responsible bidders, and the opportunity to bid on future sale offerings will be suspended for one (1) year from the last failure to pick up.

This sale shall be made on a SEALED BID basis. When submitting a bid, this bid document must be used for a bid to be considered. Please designate the item desired by placing your bid amount on the line provided next to the lot number and description on the attached "Bid Sheet". All bids must be submitted in a Sealed Envelope. Mark the outside of the sealed bid

envelope "Bid 1" (or Bid 2) or "PS2024-14" (or -21) along with your First and Last name. FACSIMILE (FAX) OR ELECTRONIC MAIL (E-MAIL) BIDS CANNOT AND WILL NOT BE ACCEPTED.

Alabama law requires that an individual must be 19 (Nineteen) years of age to sign and enter into a contract, therefore an individual must be 19 (Nineteen) years of age to submit a bid to CEW&SA.

Please note no special bidding instructions will be honored. Each lot will be sold to the highest bidder who places a dollar amount on the bid sheet for that lot. The winning bidder of multiple bids of the same number will be determined by the earliest date and time the bid was received. If you desire to place a bid for multiple items, then place a dollar amount next to each of those lots. There will be no, "All or None" nor "Only Desire One" bids honored. If you do not want an item then do not place a bid for that lot. Each lot shall be sold complete, as a single item only. Therefore, bids must be submitted for the entire offering as described on the attached "Bid Sheet" and not on a portion thereof. Under no circumstances will a feature that is an integral part of or an attachment to or peripheral component of the system herein described be separated from its host and sold on an individual item basis. Thus, bids for such features, parts, attachments, or components alone will not be considered in the bid evaluation process.

These items shall be sold "AS IS, WHERE IS" in their present location. No warranties whatsoever are inferred or implied. The successful bidder shall assume full responsibility, fiscal and otherwise, for making all arrangements, as may be required, for the de-installation, disassembly, packaging, removal, loading, and transportation of the merchandise. The South Operations Center will assist with loading items won; however, we are not required to do so and if we do not have the resources available, we will not be able to assist.

Payment for these items must be made by personal check, company check, cashier's check, money order, or credit card (Visa or MasterCard). Guaranteed instruments should be made payable to "CEW&SA." Payment must be made at the CEW&SA Main Office. All payments must be received within one (1) week, between 8:00 a.m. to 4:30 p.m., from the date of award notification. **EACH DAY, PAYMENT BY CREDIT CARD MUST BE RECEIVED BY 4:00 P.M. TO ALLOW FOR CLOSEOUT PROCEDURES TO BE COMPLETED.** If our office is experiencing technical issues with the credit card terminal we will not be able to accept payment in this form. These issues will not be a valid reason for the winning bidder to miss the one (1) week payment and removal deadline. All other payments must be received by 4:30 P.M.

Anyone who submits a personal or company check, which is returned for non-sufficient funds, will no longer be allowed to utilize personal or company checks as payment for sale items. Other charges may apply.

The following page must be signed for a bid to be considered. Indicate the company name (if applicable), signature, printed name, address, and telephone number(s), as they should appear on the bill of sale. Sealed bids must be submitted before 10:00 a.m. CDT, Thursday, November 14, 2024, for Bid Sheet #1 and Thursday, November 21, 2024, for Bid Sheet #2, at which time they will be publicly opened and read aloud. Bidders should feel free to attend the bid opening if they so desire. Once the sale is finalized, the winning bid amounts will be posted to our website, [www.cewsa.com](http://www.cewsa.com). Our department does not provide any other bid information other than the winning amount.

CEW&SA RESERVES THE RIGHT TO ACCEPT OR REJECT ANY OR ALL BIDS.
